**Q. Do I need to attend the Co-op Orientation Meeting?**

A. Yes. Whether you are new or a veteran family to Co-op, you are a vital part of this program. The new schedule, changes in procedures, and walk through for the line leaders will be accomplished at this meeting. It is also an opportunity for coordinators to talk to their parent helpers for final assignments and classroom procedures. It's the last time to make sure our ducks are in a row before Co-op begins.
